Today, 39 bands marched in parade, 22 performed in concert, and 22 presented field shows. All this would not happen without the work of a small army of student and parent volunteers. Foothill High School thanks everyone who contributed to the success of today's Band Review.

Field Show Divisions 4A, 5A, and 6A - Close

This concludes the Field Show Divisions 4A, 5A, and 6A Competition for the 50th Annual Foothill High School Band Review. Please stay for the Field Show Divisions 4A, 5A, and 6A Awards, presented here in 30 minutes.

Whether you're from Foothill or cheering your home school, you probably know how much work it takes to hold a successful band review, where student performers can share their talent with and their love of music. Today, 39 bands marched in parade, 22 performed in concert, and 22 presented field shows. All this would not happen without the work of a small army of student and parent volunteers. Foothill High School thanks everyone who contributed to the success of today's Band Review.
